YOUR EUPROFILE

AN **INCUBATOREUROPE** SERVICE

YourEUprofile is an online application which identifies the EU funding programmes, calls for proposals and related pieces of legislation relevant to your individual activity

YourEUprofile matches

activities for which the EU develops funding programmes & issues calls for proposals with the activites of various stakeholders

YourEUprofile provides information on:

- All EU managed funding programmes

- Open and upcoming calls for proposals

- Pieces of legislation in force & under developement relevant to your specific activity

Updates of YourEUprofile during 12 months

How it works?

1. No need to search the EU jungle - it is a **FIND** tool

2. Generates an individual profile by matching activites of a stakeholder with the activites funded by the EU

3. Provides updates, specific to the profile, whenever there is a new development
