20:00 - 22:00

DINNER DEBATE

ICANN: new organisation and new challenges

ICANN, the Internet Corporation for Assigned Names and Numbers, has an important impact on the expansion and evolution of the Internet.

This dinner debate will offer an opportunity to discuss about the latest evolutions concerning ICANN. In particular, Mr Rod Beckstrom, the CEO of ICANN will outline how the organisation views the current and future political challenges of internet governance and ICANN's role in addressing them.
