

**26 February 2008**

**20:00 - 22:00**

**DINNER DEBATE**

## The future of universal service

A wide-ranging policy debate on the scope and future of Universal Service Obligations was necessary and had to be encouraged.

During this dinner debate we discussed about policy options for a long term reform of the Universal Service and about the key role of public policies in the development of the Information Society for all.

### Programme- 26th February 2008
