#### BREAKFAST DEBATE

## How is the European Parliament Preparing for the New Elections?

Following an EIF Dinner Debate on '[US Presidential Elections 2012 - Lessons for Online Campaigning](#)' on 19 February, this Breakfast Debate will offer an opportunity for MEPs and guests to take a closer look at what the European Parliament is capable of in terms of communication, connecting with citizens and preparing for the next European elections.

For more information, contact [EIF Secretariat](#) or visit the [EIF website](#). The debate will be available on YouTube and the EIF website.
